Maddux is an outstanding field trial competitor with 138.5 AA points at this time. At seven years of age, he has qualified for eight nationals and has been a finalist in three events. He is a strong weekend competitor and will be competing in the National Open this fall. His strong marking ability is complimented with his calm demeanor.

Mia achieved her Master Hunter title as a two-year old and has since transitioned to field trials. She has achieved her QA2 title in four O/H Qualifying events with the following placements: JAM, 3rd place, 2nd place, and 1st place. She is currently in the process of training for the next level of competition. Mia's favorite activity is to pheasant hunt and can never get enough of chasing roosters in the fall. She has a great off switch and fits perfectly in our family's household.
